## DETAILED ACTION

### ***Allowable Subject Matter***

1. Claims 1-2, 4, 6-15, 17-20 are allowed.

The following is a statement of reasons for the indication of allowable subject matter:

The primary reasons for the indication of the allowability of claims 1-2, 4, 6-15, 17-20 are the inclusion therein, in combination as currently claimed, of the limitation of a vent that permits access to a portion of the conductor located between portions of the conductor that are surrounded by the sealing compound (for claims 1-2, 4, 6-12), and threading the at least one conductor through the chamber and through the tube; covering the chamber with a cover and putting a sealing compound in the chamber (for claims 13-15 and 17-20).

The previously listed limitations are neither disclosed nor taught by the prior art of record, alone or in combination.
